PRINCIPAL INVESTIGATOR UNDERTAKING

Assoc Prof Alioto, Massimo Bruno has read and understood that NUS has concluded an agreement with the external party, details in the DASA form, as attached.

On 08-11-2019 , PI submitted a declaration of

"AGREE (I have Read, Understood and Agree to the contents of this Undertaking)"

Contents of the Undertaking is as follows:

- I have read, understood and will comply with the terms and conditions of the Agreement.
- I have completed and submitted to Department / Faculty (or Research Centre/Institute) research office, the necessary forms such as Grant Endorsement Form (for new RCA/CRA), Project Management Form (for extension/variation of existing RCA/CRA) etc., as may be required by my Department / Faculty (or Research Centre/Institute) research office.
- I shall use any confidential information in whatever medium disclosed under the Agreement solely for the purposes of the Agreement. I shall maintain all confidential information obtained from any source, including NUS and the Company, in strict confidence. I shall not disclose any confidential information to any person outside NUS, and may only disclose the confidential information to other employees / students of NUS who are directly involved in the activities or discussions under the Agreement and whose duties require them to possess or have access to the confidential information on a 'need to know' basis. I will ensure that such employees / students of NUS are informed of and strictly observe the confidentiality obligations under the Agreement.
- I confirm that there is no actual, apparent or potential conflict between my private interests and the interests of NUS in the transaction contemplated under this Agreement and that I am not prohibited, under the Conflict of Interest Policy for NUS Staff, from entering into or performing the obligations under this Agreement.
- I understand that any intellectual property created by me in the course of my work under the Agreement shall be subject to NUS' Policies Relating to University Intellectual Property and that I may benefit under the policies. I will disclose promptly to and assign to NUS or its designee all my right, title and interests in and to such intellectual property created by me.
