

Statement of Undertaking Form

This Form is applicable to PI:

- who has been awarded a grant by an external grant agency for the project; and
- whose approved grant proposal had named *external collaborators**; and
- who wanted to expedite the opening of a project account for the commencement of the project pending finalization of a research collaboration agreement (RCA) with the named external collaborator; and
- who agrees to undertake that he/she shall not engage in any collaboration with such external collaborator BEFORE the finalization of the RCA.

Please note that this Form is not applicable for projects which will be funded directly and/or only by external collaborators, industry sponsors or MINDEF.

**Note that external collaborators refer to collaborators who are NOT from NUS and/or Duke-NUS Graduate Medical School.*

Important: PIs, Department and Faculty/RIC **must ensure** that an RCA has been signed or advice from ODPRT has been obtained that no RCA will be required **before engaging with the named external collaborators.**

To: Director, Industry Engagements and Partnerships
National University of Singapore

Grant Program/Grant Call	NRF
Grant Award Reference No.	NRF-CRP20-2017-0003
Grant Award Date & Grant Acceptance Date	31 January 2019
Title of Project	CogniVision – Energy-autonomous always-on cognitive and attentive cameras for distributed real-time vision with milliwatt power consumption
Principal Investigator	A/P Massimo Bruno Alioto
Department & Faculty/RIC*	Electrical & Computer Engineering, FOE

** Delete where appropriate*

I, Massimo Bruno Alioto, Principal Investigator of the above-mentioned project, undertake to ensure that no work involving external collaborator(s) under the project will commence until the IEP division under Office of Deputy President (Research and Technology) has advised either that the Research Collaboration Agreement (RCA) for this project has been signed, or no RCA with the external collaborator(s) will be required.

Signature of Principal Investigator

Feb 13, 2019
